The 2nd AI Mathematical Olympiad World Open Competition (Mathematics Master Cup) Play-in round invitation

Hong Kong Mathematical Olympiad Association
World STEM Association

Dear school principals and parents,

In order to meet the demand for artificial intelligence research talents in the 21st century, the Hong Kong Mathematical Olympiad Association and the World STEM Association introduces the Second **AI Mathematical Olympiad World Open Competition (Mathematics Master Cup)** and sincerely invite Hong Kong mathematics talents to participate. This competition is divided into four stages. The first stage is play-in round which is **free of charge**. In order to increase students' interest in AI Mathematics Olympiad, our associations provides more than 150 free video clips for students to learn online of the related knowledge of AI Mathematical Olympiad.

The **AI Mathematical Olympiad World Open Competition (Mathematics Master Cup)** is an advanced version of the **Mathematical Competition that** is mainly aimed at training students in logical thinking, problem analysis, engineering mathematics application and advanced Mathematical Olympiad. This competition is not only train students' numerical calculations skills, but also to enhance students' logical thinking abilities.

The second stage is the trial stage, and the third stage is the finals. The winners of the bronze medal or above in the third stage will be invited to participate in the fourth stage of the World Championship. The competition has invited AIMO approved units from all over the world to participate.

Attached are the competition details and online registration link. The deadline is 4th November 2024. If you have any inquiries, please Whatsapp57252131 or admin@wsaweb.org.

Yours faithfully,

Hong Kong Mathematical Olympiad Association
World STEM Association

The 2nd AI Mathematical Olympiad World Open Competition (Mathematics Master Cup)

Play-in round details

Play-in round Competing time: No limit

Trial Competing time 60mins; Finals Competing time 90mins

	Advanced Mathematical Olympiad	Programming and logical thinking	Engineering Mathematics	Algebra and Problems Analysis
Play-in round	6/9	1/9	1/9	1/9
Trial	6/12	2/12	2/12	2/12
Finals	6/12	2/12	2/12	2/12
World Competition	6/12	2/12	2/12	2/12

Awards for Trial & Final Event :

Personal Awards

<p>Top 15% participants will be awarded Gold Awards</p> <p>New awards: The top three with the highest scores in each level will be awarded championship, runner-up, and third-place medals and certificates.</p>
<p>The following 25% participants will be awarded Silver Awards</p>
<p>The following 30-40% participants be awarded Bronze Awards</p>

The above awards will all receive certificates jointly issued by the two associations.
(20-30% of participants will not receive awards)

Group Awards (Ranked by the total score of the best 5 participants from each grade)

Trial Round	Team championship trophies at all levels		Calculate the total score of each level of school team
Final Round	Team championship trophy	Primary School Group	Calculate the total score of each level of school team
		Secondary School Group	Calculate the total score of each level of school team

Award announcement:

Schools that win group awards will be invited to send representatives to attend the award ceremony in June 2025 (date and location to be determined) to receive the group awards. As for the individual award certificate, regardless of the contestant's registration method, the association will notify the contestant's school in advance to collect it on his or her behalf in June 2025.

The 2nd AI Mathematical Olympiad World Open Competition (Mathematics Master Cup) Play-in round details

Organizers : **Hong Kong Mathematical Olympiad Association**
World STEM Association

Co-organizer : **Asia International Mathematical Olympiad Federation**

Eligible participants : Grade 2 to Grade 9(Grade 1 can join Grade 2 competition)

Contest date : 25 Sep 2024 ~ 4 Nov 2024

Competition fee : Free

Scope of Competition

Competition content^: Please refer to the QR code

Free learning video: Please refer to the “learning video” shown in <https://wsaweb.org/aiomaths>

Results announcement:

The results will be announced on the association’s website www.wsaweb.org on 12th November 2024 (Tuesday).

Play-in round Awards:

All qualified students can download the electronic certificate of qualification on the competition website starting on 20th November 2024..

Students can directly take the online assessment through the QR code provided below.

****Please correctly select the assessment link/QR Code of the corresponding level to take the assessment****
